Notify us in case of errors or questions about your bill. If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us (on a separate sheet from your bill) at the Business Office, Saint Mary's University of Minnesota, 700 Terrace Heights, #8, Winona, MN 55987. Write to us as soon as possible. We must hear from you no later than 60 days after the date on which the error or problem appeared on your on-line account. You may telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and student ID number
- The dollar amount of the suspected error
- Describe the error and explain, if you can, why you believe this is an error.

If you need more information, describe the item about which you are uncertain.

Your rights and our responsibilities after we received your written notice: We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill is correct.

After we have received your letter, we cannot try to collect any amount in question, or report you as delinquent. We can continue to bill you for the amount in question, including **FINANCE CHARGES**. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any **FINANCE CHARGES** related to any questioned amount. If we did not make a mistake, you may have to pay **FINANCE CHARGES** CHARGES, and you will have to make up any missed payments on the questioned amount. In either case, we will post a revised statement electronically of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you, and you write to us within 10 days telling us that you still refuse to pay, we must tell anyone to whom we report you that you have a question about your bill. We must also tell you the name of anyone to whom we reported you as delinquent. We must tell anyone to whom we report you that the matter has been settled between us when it is finally settled.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill is correct.
