First log in to your [Student Portal](#) and ensure you are in the correct term. You can verify this in the upper left corner. Be sure to select the “SGPP” term, as that is the correct campus.

The screenshot shows the Saint Mary's University Student Portal dashboard. At the top, there is a navigation bar with the university logo, a "Change Term (SP20 SGPP)" button, and links for "My Student Portal", "My Grades", and "My Transcript". A user profile icon is on the right. Below the navigation bar, the dashboard is divided into two main sections. The left section contains a message about receiving 2019-2020 ISIR (FASFA) data, a warning about red items, and three green buttons: "Update Emergency Contact Information", "FERPA Designations (1)", and "Update Student Demographic Information". The right section features two news articles. The first article, titled "Saint Mary's ranks in top 3 for MBA program; business dean encourages higher ed to go beyond traditional education", discusses the university's top-3 ranking in the MBA program. The second article, titled "A letter from Father Burns to our community", mentions a letter from Father President James Burns regarding the student assembly and campus environment.

Once you determine the required courses for your program, you will want to explore the **Course Offering** tab. This is where you can search the catalog to see what is available in a given semester for your program.

This screenshot shows the Saint Mary's University Student Portal with the "Course Offering" tab highlighted in the left-hand menu. The navigation bar at the top includes the university logo, "Change Term (FA19 SGPP)", and links for "My Student Portal", "My Grades", "My Transcript", and "My Courses". The left-hand menu lists various options, with "Course Offering" highlighted by a blue arrow. Below the menu, there are several green buttons: "Update emergency contact information", "FERPA Designations (1)", "Update Student Demographic Information", "Sign your Financial Agreement - (Required)", and "Graduation Application". The right-hand section displays three news articles. The first article, "Saint Mary's to celebrate Family Weekend Sept. 27-29", mentions student performances and family activities. The second article, "MCA performance to support music scholarships for youth", describes a musical performance at Café Congo. The third article, "Saint Mary's University rises in 2020 U.S. News rankings", notes the university's rise to No. 33 in the Best Regional Universities of the Midwest category. Below the news articles, the text "Declared Majors & Minors" is visible.

Here you will be able to filter by program/department to see the courses being offered that semester.
