

## How to Access Your Billing & Financial Information:

The first step is to login into your student portal account on [The Nest](#). After you have logged in, select the "Student" option on the top left hand side of the page. On the new page that opens up, you should see a few different options on the menu on the left side, where you can click on the "Finances" tab (see pictures below).

#### Registration

#### Finances

#### Records & Documents (Forms)

You are here: [Home](#) > [Home](#)

On the Finances page you will be able to view your account balance, make a tuition payment, sign up for a payment plan through the online payment portal - CASHNet, view your financial aid information, and sign up for direct deposit (see picture below). Your tuition & fee charges will be added to your Financial Account 24hrs after you have been registered for your coursework for a given semester.
