

How to Access Your Billing & Financial Information

The first step is to login into your student portal account on [The Nest](#). After you have logged in, you should see a few different options on the menu on the left side, where you can click on the "Finances" tab (see pictures below).

On the Finances page you will be able to view your account balance, make a tuition payment, sign up for a payment plan through the online payment portal - CASHNet, view your financial aid information, and sign up for direct deposit (see picture below). Your tuition & fee charges will be added to your Financial Account within 24hrs after you have been registered for your coursework for a given semester.

Below the header, there are two main sections: 'My Financial Account' and 'My Financial Aid'. The 'My Financial Account' section has a sub-section 'Balances Due' which shows 'Total Amount Due' and a green checkmark with the text 'No payment currently due'. Below this is a link 'Account statement | View account details & history'. The 'My Financial Aid' section has a link 'Click here to manage your financial aid.' and a note about clearing browser cache. Below these sections is 'CASHNet My Account Info' with a link 'Go to CASHNet' and a notice about sending personal information. To the right of this is 'Direct Deposit' with a link 'Set Up Direct Deposit Account' and a 'Tuition refund' button. The 'Set Up Direct Deposit Account' link is highlighted with a red rectangular box.
